Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding in the amount of \$8,379,000 for the following project in surface transportation reauthorization legislation:

Speegleville Road: Bridge at Middle Bosque River

The project sponsor for this project is the City of Waco, and the project is located at Speegleville Rd., Waco, TX 76712.

The funding is designated for A 680-foot long, 24-foot wide, TxDOT Standard Girder Prestressed "I" Beam bridge with pedestrian and sidewalk improvements.

The project is an appropriate use of taxpayer dollars and is anticipated to have the benefit of expanding and improving the roadway to alleviate traffic congestion and provide pedestrian access to the new River Valley middle school.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Pete Sessions".
