Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding in the amount of \$4,000,000 for the following project in surface transportation reauthorization legislation:

**SH 6 from BS 6-R to SH 40**

The lead sponsor for this project is the Texas Department of Transportation and the project is located in Brazos County, Texas at SH 6 College Station, TX 77845.

The funding is designated for widening a four-lane freeway facility to a six-lane urban divided freeway facility.

The project is an appropriate use of taxpayer dollars because it is anticipated to improve safety and relieve congestion by widening the main lanes from four to six. In addition, interchange improvements, bicycle and pedestrian connectivity, and freight movements will also benefit from this project.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Pete Sessions".
