Dear Chairwoman Granger and Ranking Member DeLauro,

I respectfully request funding for the Southeast Loop Connection Project in Fiscal Year 2024. The entity to receive this funding is Williamson County, Texas, located at 710 S. Main Street, Ste. 101, Georgetown, TX 78626.

This funding would be used for the construction of a frontage road to complete the Southeast Loop connection between SH 130 and US 79. The project will increase mobility and connectivity for local residents to jobs, schools, and retail areas. This project is an appropriate use of taxpayer funds because this project will provide a critical route for residents to access nearby jobs at the developing significant commercial and industrial facilities and will link state roadways to economic generators such as the RCR Freight Facility and the City of Hutto Industrial Mega Site. My community project funding request for this project is \$10,000,000.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b), the Surface Transportation Block Grant Program.

I certify that neither I nor my immediate family has any financial interest in this project. Thank you for your consideration of this request.

Sincerely,
