Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding in the amount of \$4,000,000 for the following project in surface transportation reauthorization legislation:

**FM 60 from 2 miles east of SH 36 to .8 miles west of FM 2039**

The project sponsor for this project is the Texas Department of Transportation, and the project is located at FM 60 Caldwell, TX 77836.

The funding is designated to widen the project described above from 3 lane rural undivided to 4 lane rural divided highway.

The project is an appropriate use of taxpayer dollars and is anticipated to have the benefit of improving safety by dividing the traffic and widening the 3 lanes to 4.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Pete Sessions".
