The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro,

I respectfully request funding for the Future I-69/U.S. 59/U.S. 259 Interchange Reconstruction in Fiscal Year 2024. The entity to receive this funding is the City of Nacogdoches, TX, located at 202 East Pilar Street, Nacogdoches, TX 75961.

This funding would be used to reconstruct the existing US 59/US 259 interchange to allow safer and more efficient traffic flow between US 59 and US 259. The project will bring the interchange to Interstate standards, allowing it to be connected to the Interstate 69 corridor. This project is an appropriate use of taxpayer funds because this project will enhance mobility, safety, and cargo transport along the future Interstate 69 corridor. My community project funding request for this project is \$3,000,000.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133(b), the Surface Transportation Block Grant Program.

I certify that neither I nor my immediate family has any financial interest in this project. Thank you for your consideration of this request.

Sincerely,

A handwritten signature in black ink, appearing to read "Pete Sessions", written over a large, stylized circular flourish.
