Dear Chairwoman Granger and Ranking Member DeLauro,

I respectfully request funding for the East Texas Maintenance Facility in fiscal year 2024. The entity to receive this funding is Brazos Transit District, located at 2117 Nuches Lane, Bryan TX 77803.

This funding would be used to construct an East Texas Maintenance Facility for the Brazos Transit District's East Texas operations in Nacogdoches and Angelina Counties. This project is an appropriate use of taxpayer funds because it will maximize operating time for BTM vehicles in East Texas and ensure reliable and safe service for riders and the traveling public. My community project funding request for this project is \$1,000,000.

The project has a federal nexus because the funding provided is for purposes authorized by purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project. Thank you for your consideration of this request.

Sincerely,
