Dear Chairman DeFazio and Ranking Member Graves:

I am requesting funding in the amount of \$1,000,000 for the following project in surface transportation reauthorization legislation:

IH 45 from 1.5 miles south of US 84 to US 84

The lead sponsor for this project is the Texas Department of Transportation and the project is located in Freestone County, Texas at IH 45 Fairfield, TX 75840.

The funding is designated for US 84 one-way frontage road conversion.

The project is an appropriate use of taxpayer dollars because it is anticipated to improve traffic flow and safety of the frontage roads along I-45 in the Fairfield area. In addition, entrance and exit ramps will be relocated and frontage road traffic will be converted to one-way. Bicycle and pedestrian facilities will also benefit from this project.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Pete Sessions".
