The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
2413 Rayburn House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I respectfully request funding for Huntsville, TX N.B. Davidson Wastewater Treatment Plant Rehabilitation in Fiscal Year 2026. The entity to receive this funding is the City of Huntsville, Texas, located at 1212 Avenue M, Huntsville, TX 77340.

This funding would be used to make necessary improvements and rehabilitation work at the City of Huntsville's N.B. Davidson Wastewater Treatment Plant. This request will be used to install a new headworks to allow for additional capacity and allow for complete redundancy. This project is an appropriate use of taxpayer funds because this will provide for necessary increased water capacity to accommodate the population while also maintaining clean water quality standards in Lake Conroe and Elkins Lake on which the N.B. Davidson plant is located. My community project funding request for this project is \$3,000,000.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project. Thank you for your consideration of this request.

Sincerely,

Pete Sessions  
Member of Congress
